

*E.H.Zero initiative and partners present:*

# the E.H.Zero webinar series

Join the City of Grand Rapids, GR2030 District, and Urban Core Collective as we launch the Equitable, Healthy Zero Carbon Building (E.H.Zero) virtual series. The E.H.Zero initiative aims to equitably achieve affordability, positive health outcomes, and resilience while reducing energy consumption and carbon emissions in buildings. The desired outcome of E.H.Zero is to co-create policies & programs with our community that will transform our city and create long-term impacts for substantive change.

## the E.H.Zero Series will feature the following:

**Thursday, February 24, 2022, 9:00 AM -11:00 AM**

Introduction to Policies and Programs for Equitable, Healthy, Zero Carbon Buildings

**Thursday, March 3, 2022, 9:00 AM -10:30 AM**
